- (2) Regulations may make provision in relation to what constitutes a dividend or a distribution for the purposes of this section.²⁴

12B Duty to inform Authority in relation to risks to solvency

Where —

- (a) the eligible capital resources of an authorised insurer fall below —

 - (b) for the implementation of a scheme,

and it is the duty of the insurer to comply with a direction under this subsection.³⁷

- (7) If an authorised insurer is unable or fails to submit a scheme which is acceptable to the Authority or fails to give effect to that scheme in accordance with directions given under subsection (6C)(b) —
 - (a) in the case of a scheme submitted under this section by virtue of a requirement made under section 12C(1)(a), the insurer is deemed to be unable to pay its debts for the purposes of section 162 or 307 of the *Companies Act 1931* (as the context requires) and the Authority may apply to wind up the insurer under paragraph 4 of Schedule 3; and
 - (b) in the case of a scheme submitted under this section by virtue of a requirement made under section 12D(a) the Authority may withdraw the insurer's authorisation in accordance with section 10.^{38]}

PART 4A – GROUP SUPERVISION⁶⁵

21A **Interpretation**

In this Part, unless the context otherwise requires –

“**college of supervisors**” means a structure for cooperation and coordination among competent authorities;

“**competent authority**” means a regulatory authority that is empowered by law to supervise insurers;

“**designated insurer**” means an insurer designated by the Authority under section 21C(6) in respect of an insurance group;

“**equivalent jurisdiction**” means a jurisdiction that has supervisory standards that the Authority determines to be equivalent to those established by or under this Act;

“**group actuary**” means an individual appointed under section 21I;

- (a) any other undertaking —
 - (i) which is the holding company or a subsidiary of the insurer;
 - (ii) which is a subsidiary of that holding company; or

- (c) an unincorporated association; or
- (d) a trust,

and references to any undertaking mentioned in paragraphs (a) to (d) include a comparable undertaking incorporated in, formed or established under the law of a country or territory outside the Island.⁶⁷

21C Group Supervisor

- (1) The Authority may, in respect of an insurance group, determine whether it is appropriate for it to be the group supervisor of that group.
- (2) Before making such a determination the Authority must take into account the matters set out in subsection (3).
- (3) Those matters are —

- (a) whether the insurance group is headed by an authorised insurer;
 - (b) where the insurance group is not headed by an authorised insurer whether the insurance group is headed by a holding company which is incorporated in the Island;
 - (c) where the insurance group is headed by a holding company which is not incorporated in the Island, whether the Authority is satisfied that —
 - (i) the insurance group is directed and managed from the Island; or
 - (ii) the insurer in the insurance group with the largest balance sheet total is an authorised insurer;
 - (d) whether the principal activity of the group is the carrying on of insurance business;
 - (e) any other matter which may be prescribed.
- (4) The Authority may determine, notwithstanding any other consideration, that it is not appropriate for it to be the group supervisor of an insurance group where the insurance business carried on does not involve liability to third parties.
 - (5) The Authority must give notice in writing to the proposed designated insurer of the Authority's intention to make such a determination and must take into account any written representation made by the proposed designated insurer within such period as the Authority may specify in the notice.
 - (6) If the Authority makes a determination under subsection (1) that it is appropriate for it to be the group supervisor in respect of an insurance group, the Authority must designate an authorised insurer who is a member of the insurance group to be the designated insurer in respect of that insurance group for the purposes of this Part.
 - (7) The Authority must notify the designated insurer for an insurance group and other competent authorities in writing that the Authority is the group supervisor for that insurance group.
 - (8) The Authority must establish and maintain a register containing the prescribed particulars in respect of every insurance group of which it is the group supervisor.

21D Excluding undertakings from group supervision

- (1) The Authority may, on its own initiative or on the application of the relevant designated insurer, exclude from group supervision any

undertaking that is a member of an insurance group if the Authority is satisfied that —

- (a) the undertaking is situated in a country or territory where there are legal impediments to cooperation and exchange of information;
 - (b) the financial operations of the undertaking have a negligible impact on insurance group operations; or
 - (c) the inclusion of the undertaking would be for some other reason inappropriate.
- (2) The Authority must notify the relevant designated insurer and competent authority in writing of any decision to exclude an undertaking from the scope of group supervision.⁶⁹

21E Authority's power to include undertakings within group supervision

- (1) The Authority may, on its own initiative or on the application of the relevant designated insurer, include within group supervision any undertaking that is a member of the insurance group but is not on the register maintained under section 21C(8) if the Authority is satisfied that —
- (a) the financial operations of the undertaking may have a material impact on the insurance group's operations; and
 - (b) the inclusion of the undertaking would be appropriate in the opinion of the Authority.
- (2) The Authority must notify the relevant designated insurer and competent authority in writing of any decision to include an undertaking within the scope of group supervision.⁷⁰

21F Authority's power to withdraw as group supervisor

- (1) The Authority may withdraw as group supervisor, —
- (a) on its own initiative;
 - (b) at the request of a competent authority from an equivalent jurisdiction; or
